Miracles Happen Again and Again!

In June, the York Association established its 17th Trust Bank with Opportunity International. Seven churches in the York Association contributed to our newest bank. Each church had a vote in determining the location of our new bank and the majority selected KENYA.

Recently with the contributions received from St. Paul's Stoverstown and Emmanuel-Freysville plus the matching funds available. We are almost half-way toward our 18th bank!

Navigating Life's Last Stages

Emmanuel United Church of Christ of York invites all interested persons to attend a four-session program entitled "Navigating Life's Last Stages: What Do I Need to Know and Why?" Most of us enter unknown territory when an illness or situation arises that creates the need to make difficult decisions concerning care surrounding imminent death. Confronting these issues not only helps to clarify matters for the one facing death, but gives much needed direction to family and loved ones who may not know what that person's

wishes may be. Preparing advanced directives and providing the opportunity to share personal wishes with one's family can enrich the last stages of life. The program will offer the following:

Facing the Difficult Questions - Sunday, August 28, 2011 – 2:00PM

Session one will explore the reasons why we find it difficult to face these questions, why it is important to do so, and the ethical questions concerning advanced care planning. Presented by **Rhoda Hartmann**, BSN, RN, CT, CHPCA, Palliative Care/Bereavement Services at York Hospital.

Funeral Arrangements - Sunday, September 18, 2011 – 2:00PM

Mr. Mark Harris, author of [Grave Matters: A Journey Through the Modern Funeral Industry](#). In addition to the traditional choices, more recent alternatives such as "Green Burials" will be explained.

Advanced Directives - Sunday, October 23, 2011 – 2:00PM

Many people believe the assistance of an attorney is necessary to prepare Advanced Directives. This is not the case. **Diane Gerhart**, the Education Coordinator from the Palliative Care Department at York Hospital/WellSpan Health will explain these directives and the options they present. Forms will be available and assistance provided for those interested in completing them.

Support Systems and End-of-Life Care - Sunday, November 13, 2011 – 2:00PM

Dr. Dominic Glorioso, Jr. DO. will offer guidance in how to bridge the gap between the medical community and Hospice. What are the different facets of palliative care? How do we begin family conversations during this difficult time? How do we cope with role reversals?

All sessions will be held at the Yorktown Community Center located at 1059 Kelly Drive, York, PA 17404. Pre-registration is not required; however, knowing how many plan to attend will be helpful in preparing the amount of materials needed. Please email eucc_york@yahoo.com or call Emmanuel UCC at 717-801-1082 to express interest in attending any or all of the sessions. Visit our website for directions. <http://www.emmanuelnyork.org>.
